What does the Handyman Range offer you?

GVM range: 750kg to 2.3ton.

This range was developed for the individual or company who needs a durable trailer to work under general conditions at an affordable price.

This range is equipped with all the necessary accessories needed, but without the nice to haves. For more information on the individual models, please look at the specific model on the website...

If you want a trailer at the right price, this is it.
