Code: HM

What does the Handyman Range offer you?

GVM range: 490kg to 2.3ton.

This range was developed for the individual or company who needs a durable trailer to work under general conditions at an affordable price.

This range is equipped with all the necessary accessories needed, but without the nice to haves. For more information on the individual models, please look at the specific model on the website...

If you want a trailer at the right price, this is it.

Code: AW

What does the African Wagon Range offer you?

GVM range: 750kg to 3.5ton.

This range was developed for the individual or company who needs a very strong and durable trailer to work under demanding conditions day after day. This range is equipped with all the necessary accessories needed to make life a little easier. For more information on the individual models, please look at the specific model on the website...

If you want ultimate durability, this is it!

We reserve the right to fit any quality brand spares of our choice, but should you want a specific brand, please contact us. Specific brand spares MUST be stipulated in a quotation. T&Cs Apply.
